2023 NFHS FOOTBALL POINTS OF EMPHASIS

2023 NFHS FOOTBALL POINTS OF EMPHASIS

1. Helping the Runner
2. Communication Between Coaches and Game Officials
3. Game Management

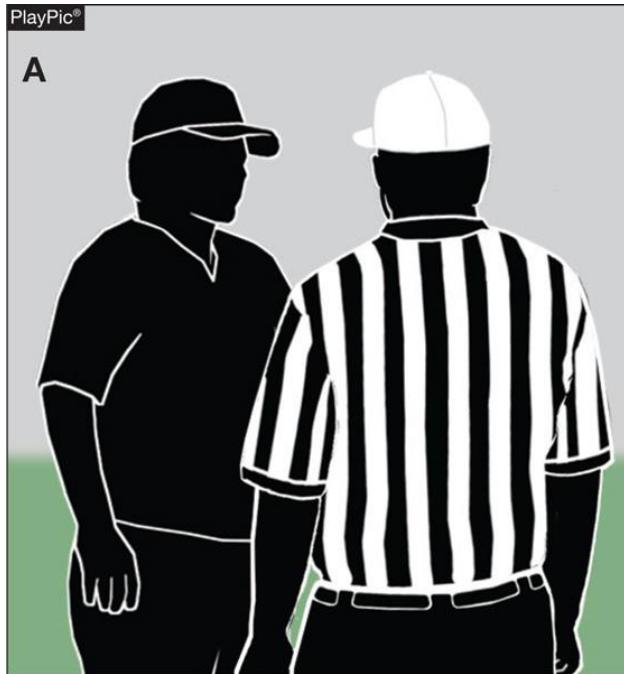

HELPING THE RUNNER

Rule changes have been made at higher levels allowing offensive teams to pile in behind and directly push the runner. Similar plays are trickling down to the high school level. Allowing teams to help the runner by illegal techniques swings the balance heavily in favor of the offense. Pushing the pile is legal; direct contact and pushing, pulling, lifting of the runner is not.

COMMUNICATION BETWEEN COACHES AND GAME OFFICIALS

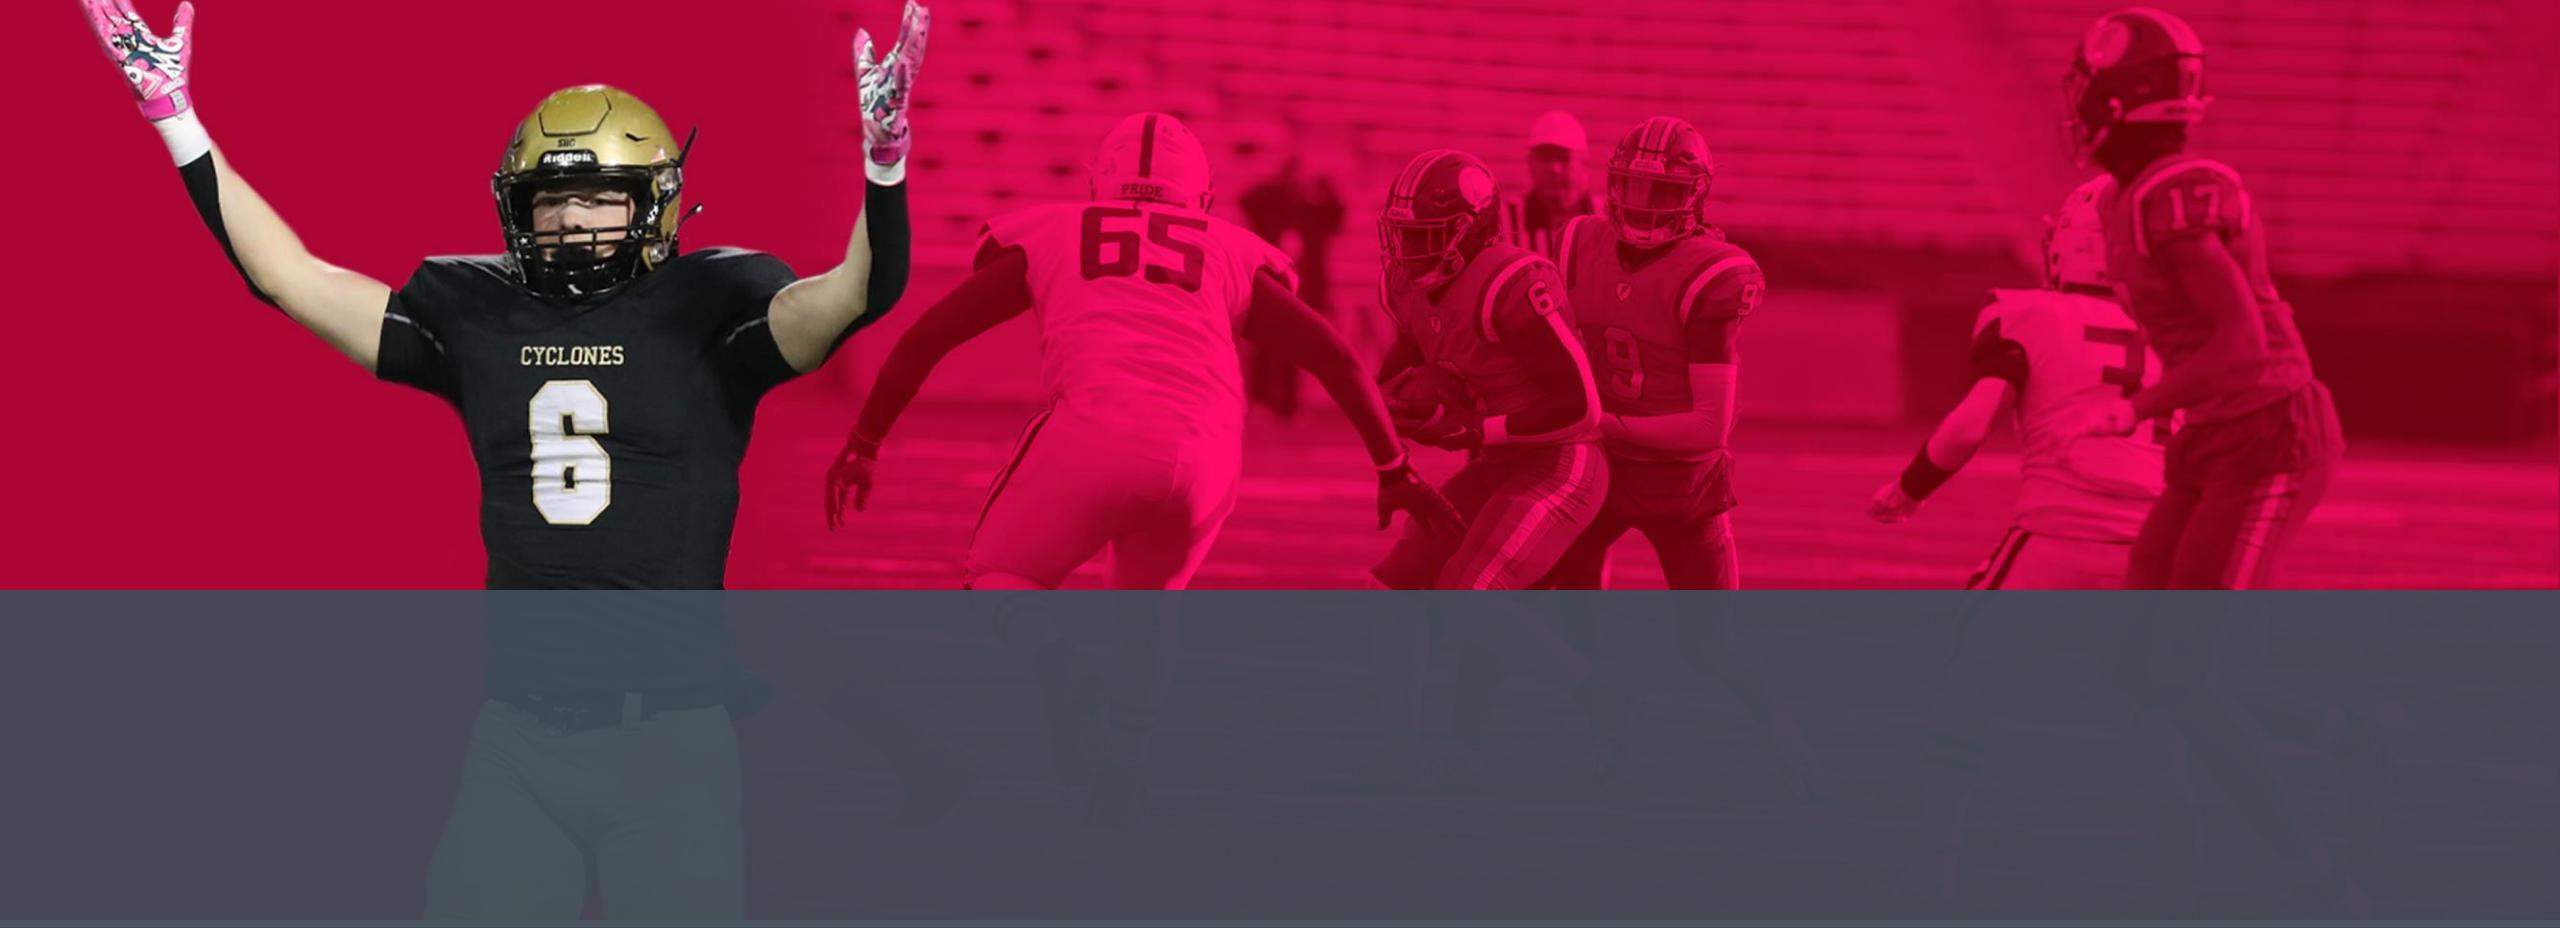

Game officials must actively listen to what a coach is saying, then respond factually and unemotionally (PlayPic A). If coaches show little respect for game officials and make derogatory comments, their players will likely treat game officials similarly (PlayPic B).

GAME MANAGEMENT

Each school community must take pride in hosting an athletic contest or event. Beginning with the arrival of players, game officials and spectators, each school must have a purposeful plan to address any and all expected issues, as well as the unforeseen. Meeting and greeting the visiting team is certainly the beginning of good sportsmanship. Clearly communicated information, such as parking information, location of ticket booths and entry gates, when given to the visitors is another step in assuring a great experience for all participants.

4. After medical clearance, RTP should follow a step-wise protocol with provisions for delayed RTP based upon return of any signs or symptoms at rest, while doing school work or with physical activity.
